

## The Happy Clean-Up Story

## The Story of Buddy the Bear

Let's read this story together!

Once, there was a little bear named Buddy. Buddy felt sad because he was all messy from playing. He wanted to feel clean and happy! A kind friend gave Buddy a "Clean-Up Kit" with soap, a toothbrush, and a comb. Buddy took a bath, brushed his teeth, and combed his fur. Suddenly, he wasn't a messy bear anymore. He was a happy, clean bear, ready to play!
